## EXPLANATION RESIDENTIAL TENANCY APPLICATIONS

**Only complete an application and pay the option fee if you are sure that you want to enter into a lease with the owner for the particular premises, or hold the premises for a period.**

This explanation is intended for a person who is applying through a REIWA member agent for a residential property lease using REIWA approved documents.

The owner of the premises is attempting to locate the most suitable tenant, that is a tenant who pays the rent on time and takes good care of the premises.

To enable the owner of the premises to determine in their opinion, who is the most suitable applicant, the managing agent requires some background information regarding previous premises that you have leased, and information on how you will pay the rent.

**The form "STANDARD APPLICATION AND OFFER OF OPTION TO LEASE RESIDENTIAL PROPERTY" is not the lease.**

The purpose of this form is:

**Firstly**, to inform the owner of your details, and your requirements for the lease. For example, if you wish to have pets at the premises.

**Secondly**, to inform you of the money that is required to be paid prior to taking possession of the premises. For example, the value of the security bond and the initial rent payment.

**Thirdly**, to make you aware of conditions associated with making the application. For example, if your application is accepted, when you can take possession.

**Fourthly**, to create an option to take the premises. If the owner accepts your application, then the owner gives you the option to take up a lease. Unless otherwise agreed, you will have two business days from the time when the owner's agent informs you that your application has been approved in which to make a final decision if you want to enter into a lease. This is a holding period. If you enter into the lease, then the option fee will be credited to the rent payable. If you decline the opportunity to enter into the lease during the option period, then the owner will keep the option fee.

### Summary

- Your action:**
1. Complete application
  2. Submit application with the option fee

- Owner's action:**
3. Accept or reject application
- If application is rejected then option fee is returned.

- Your action:**
4. If application is accepted, then you have a period of time to enter into the lease.
  5. If you withdraw after acceptance by the owner, then you will forfeit the option fee.
