#### **EXPLANATION FOR APPLICANTS**

#### Only complete this APPLICATION if You are sure that You want to enter into a Residential Tenancy Agreement with the Lessor of the Premises

The Lessor of the Premises is attempting to locate the most suitable tenant; that is a tenant who pays the rent on time and takes good care of the Premises.

To enable the Lessor of the Premises to determine in their opinion, who is the most suitable person, the Lessor's Property Manager requires some background information about You.

#### The form "APPLICATION TO ENTER INTO RESIDENTIAL TENANCY AGREEMENT" is not the Residential Tenancy Agreement.

The purpose of this form is:

**First**, to inform the Lessor of Your details, and Your requirements for the Residential Tenancy Agreement; for example, if You wish to have pets at the Premises.

Second, to inform You of the Lessor's or Property Manager's usual use of one or more residential tenancy databases.

**Third**, to inform You of the money that is required to be paid prior to taking possession of the Premises; for example, the value of the Security Bond (which may be up to 4 weeks rent), the Pet Bond (which can be up to \$260) and the initial Rent payment (which can be 2 weeks rent in advance).

**Fourth**, to make You aware of the terms of the Residential Tenancy Agreement (including special conditions) associated with the Lease if Your Application is accepted.

National Rental Affordability Scheme

1)The premises are let under the National Rental Affordability Scheme Act 2008 (Cth) (NRAS) and as such the tenant understands that the eligibility criteria must be met to qualify for housing under the scheme.

2)Eligibility is assessed using household income details over a twelve month period immediately preceding the tenancy commencement date. It is essential that the tenant supply to the lessor, at least annually, details of their household income in order for eligibility to be assessed.

3)Under NRAS the tenant must notify the lessor if the household income varies after the initial eligibility assessment is completed and / or after the tenancy has commenced. Details of the variation must be communicated to the lessor to assess ongoing eligibility.

4)Should the household income exceed eligibility limits under NRAS then the lessor will assess ongoing eligibility for the premises in accordance with the requirements of NRAS Regulations 2008 (Cth). The tenant understands that this may mean this agreement is not renewed and they will have to vacate the premises at the end of the fixed term tenancy. Should this be the case, the tenant will be given notice to vacate in accordance with this agreement and in accordance with the Act.

5)The Tenant acknowledges and agrees that it will be requested periodically to complete Tenant Demographic Assessment forms. These forms must be returned to the lessor within 7 days of the request, along with supporting income documentation, for all persons residing in the premises.

#### The National Rental Affordability Scheme Tenant Consent Form

The National Rental Affordability Scheme ('NRAS' or 'the Scheme') seeks to address the shortage of affordable rental accommodation by offering a National Rental Incentive (the 'Incentive') to providers of new rental dwellings. The Incentive is offered on the condition that dwellings are rented to eligible low and moderate income households at a rate at least 20 per cent below market rates. By requiring a reduction on market rent of at least 20 per cent, the Scheme substantially improves dwelling affordability for tenants.

#### **Tenant Consent Information**

You are required to provide this document to prospective tenants. Each prospective tenant who is an adult must sign the Tenant Consent Form prior to entering into any lease or rental agreement for an NRAS property.

#### Why information is collected?

The Australian Government, as represented by the Department, gives your housing provider funding to offer affordable rental accommodation to eligible tenants.

Information about you, and your household, is collected by your housing provider for the Department to ensure your eligibility to rent a property under the National Rental Affordability Scheme, and to assist the Australian Government to find out who is accessing its services.

The more the Department can learn about who your housing provider rents their accommodation to, will better assist the Australian Government to direct resources to areas of need and improve its services.

#### What information is collected?

The information listed below is collected from you by your housing provider. By signing this form you are giving permission for your housing provider to give the following information to the Department:

- the length of your lease;
- the number of occupants in your dwelling;
- the ages of occupants;
- the composition of the household;
- sources and details of income earned; and
- occupation details.

The following questions are optional and will not affect your tenancy. If you do answer, the information will help us to continue to improve Australian Government services.

- whether you or anyone in the household identifies as being of Aboriginal or Torres Strait Islander descent; and
- whether you or anyone in the household identifies as a person with a disability.

You can ask your housing provider to give you a copy of the information that they have provided to the Department.

#### Protection of information

Your housing provider and the Department are required, to observe strict privacy rules which are contained in the Privacy Act 1988 (Cth). This means that they must:

- tell you <u>why</u> they need to collect your information (i.e. to enable the Department to assess your eligibility to lease an NRAS property and to provide additional information for assessing the rental programme);
- tell you what will happen to your information and who it will be given to (e.g. the Department and any other parties the Department determines appropriate to achieve the objectives listed above);
- store the information securely;
- only use the information for the purpose it was obtained; and
- only pass your information to other parties when the law allows, or we are directed to do so.

The information that is provided to the Department is stored in a secure manner.

NRAS TDA v7 Page 1 of 8

The Department sometimes provides information about people who are accessing Australian Government funded services to other Government departments and researchers. When this happens, only limited information is made available, and the Department removes all details that could identify you, e.g. your name. This is so no one will be able to identify the information as belonging to you.

The other Government departments and researchers who are given access to the information must also observe the Information Privacy Principles when handling the information. The Australian Privacy Commissioner can investigate allegations of improper collection, use and disclosure of personal information by government departments.

For more information about how the Department handles personal information please see the Department's privacy policy at <a href="https://www.dss.gov.au/privacy-policy">https://www.dss.gov.au/privacy-policy</a>. The privacy policy contains information about how an individual can seek access to or correction of personal information held by the Department. The policy also provides information about how an individual can make a privacy complaint.

#### Obligations of your housing provider

Your housing provider must verify that the gross annual income (income from all sources before tax is applied) of all occupants that reside in an NRAS property are within the household eligibility thresholds for your household type. The initial verification must be conducted prior to entering into the lease or rental agreement, and should be reviewed annually.

Please note that you will cease to be an eligible tenant if the household's combined gross annual income exceeds the income threshold for your household by 25% or more in two consecutive eligibility years.

Your housing provider must ensure that they comply at all times with the landlord, tenancy, building and health and safety laws of the State or Territory and local government area in which the dwelling is located.

Your housing provider must provide an NRAS approved rental property at a rate of at least 20% below the assessed market rent of the property.

Your housing provider may review the rent charged for your property in line with the landlord, tenancy and local government laws in your relevant State or Territory. However, any increase in rent must ensure the rent charged is at least 20% below the market value rent for the property.

Your housing provider must keep and maintain all records used to verify your eligibility to lease an NRAS dwelling, methodology for determining market rent value and rent charged, and information and details specifically requested by the Department for five years.

## National Rental Affordability Scheme (NRAS)

### NRAS household income (indexation) for 2016-17 year

#### Overview

In order to be eligible for an incentive under NRAS, approved participants must ensure that dwellings are rented to eligible tenants.

The gross income limits for households of eligible tenants are specified in the NRAS Regulations.

Income levels are assessed against gross income limits according to the household composition. For NRAS purposes, a household is considered to be all persons who are tenants of the dwelling. All persons who ordinarily reside in a NRAS home must have their income included as a member of the household.

A household's gross income for the 12 months prior to commencement of tenancy of an NRAS dwelling must be equal to or less than the relevant income limit for the household's composition. Household income may then increase above the income limit. However, a dwelling ceases to be eligible for an incentive if the tenants' household income exceeds the applicable household income limit by 25 per cent or more in two consecutive eligibility years.

Each year, household income limits are indexed according to percentage changes of All Groups Component of the Consumer Price Index so that the limits effectively maintain the same target group of tenants over the life of the Scheme.

#### The 2016-17 household income limits

The 2016-17 household income eligibility limits are:

	2016-17 Year
1st Adult	\$48,527
1st Adult - sole parent	\$51,041
Each Additional Adult	\$18,564
Each Child	\$16,096
Independent minor	\$48,527

For ease of application purposes, a variety of 2016-17 income eligibility limits for various household compositions are presented below.

Household composition	Initial household income limit (\$)	Existing tenant income limit (\$)*
One adult	48,527	60,659
Two adults	67,091	83,864
Three adults	85,655	107,069
Four adults	104,219	130,274
Sole parent with one child	67,137	83,922
Sole parent with two children	83,233	104,042
Sole parent with three children	99,329	124,162
Couple with one child	83,187	103,984
Couple with two children	99,283	124,104
Couple with three children	115,379	144,224

\*If the household income of an existing tenant exceeds the indicated limit (25 per cent greater than the initial income limit) in two consecutive NRAS years, the tenant will cease to be an eligible tenant. This column indicates figures which are 25 per cent higher than the household income limits for ease of reference for this purpose.
