- (a) to the vendor's licensed estate agent; or
 - (b) if there is no estate agent, to the vendor's legal practitioner or conveyancer; or
 - (c) if the vendor directs, into a special purpose account in an authorised deposit-taking institution in Victoria specified by the vendor in the joint names of the purchaser and the vendor.
- 11.2 If the land sold is a lot on an unregistered plan of subdivision, the deposit:
- (a) must not exceed 10% of the price; and
 - (b) must be paid to the vendor's estate agent, legal practitioner or conveyancer and held by the estate agent, legal practitioner or conveyancer on trust for the purchaser until the registration of the plan of subdivision.
- 11.3 The purchaser must pay all money other than the deposit:
- (a) to the vendor, or the vendor's legal practitioner or conveyancer; or
 - (b) in accordance with a written direction of the vendor or the vendor's legal practitioner or conveyancer.
- 11.4 Payments may be made or tendered:
- (a) up to \$1,000 in cash; or
 - (b) by cheque drawn on an authorised deposit-taking institution; or
 - (c) by electronic funds transfer to a recipient having the appropriate facilities for receipt.
- However, unless otherwise agreed:
- (d) payment may not be made by credit card, debit card or any other financial transfer system that allows for any chargeback or funds reversal other than for fraud or mistaken payment, and
 - (e) any financial transfer or similar fees or deductions from the funds transferred, other than any fees charged by the recipient's authorised deposit-taking institution, must be paid by the remitter.
- 11.5 At settlement, the purchaser must pay the fees on up to three cheques drawn on an authorised deposit-taking institution. If the vendor requests that any additional cheques be drawn on an authorised deposit-taking institution, the vendor must reimburse the purchaser for the fees incurred.
- 11.6 Payment by electronic funds transfer is made when cleared funds are received in the recipient's bank account.
- 11.7 Before the funds are electronically transferred the intended recipient must be notified in writing and given sufficient particulars to readily identify the relevant transaction.
- 11.8 As soon as the funds have been electronically transferred the intended recipient must be provided with the relevant transaction number or reference details.
- 11.9 Each party must do everything reasonably necessary to assist the other party to trace and identify the recipient of any missing or mistaken payment and to recover the missing or mistaken payment.
- 11.10 For the purpose of this general condition 'authorised deposit-taking institution' means a body corporate for which an authority under section 9(3) of the *Banking Act 1959 (Cth)* is in force.

Special condition 2 – Acceptance of title

General condition 12.4 is added:

- 12.4 Where the purchaser is deemed by section 27(7) of the *Sale of Land Act 1962* to have given the deposit release authorisation referred to in section 27(1), the purchaser is also deemed to have accepted title in the absence of any prior express objection to title.

The Purchaser acknowledges that in such instance they forfeit any right and/or ability to adjust at or after settlement.

Special condition 5 - Foreign resident capital gains withholding

General condition 15A is added:

15A. FOREIGN RESIDENT CAPITAL GAINS WITHHOLDING

- 15A.1 Words defined or used in Subdivision 14-D of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* have the same meaning in this general condition unless the context requires otherwise.
- 15A.2 Every vendor under this contract is a foreign resident for the purposes of this general condition unless the vendor gives the purchaser a clearance certificate issued by the Commissioner under section 14-220 (1) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*. The specified period in the clearance certificate must include the actual date of settlement.
- 15A.3 This general condition only applies if the purchaser is required to pay the Commissioner an amount in accordance with section 14-200(3) or section 14-235 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* ("the amount") because one or more of the vendors is a foreign resident, the property has or will have a market value not less than the amount set out in section 14-215 of the legislation just after the transaction, and the transaction is not excluded under section 14-215(1) of the legislation.
- 15A.4 The amount is to be deducted from the vendor's entitlement to the contract consideration. The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.
- 15A.5 The purchaser must:
- (a) engage a legal practitioner or conveyancer ("representative") to conduct all the legal aspects of settlement, including the performance of the purchaser's obligations under the legislation and this general condition; and
 - (b) ensure that the representative does so.
- 15A.6 The terms of the representative's engagement are taken to include instructions to have regard to the vendor's interests and instructions that the representative must:
- (a) pay, or ensure payment of, the amount to the Commissioner in the manner required by the Commissioner and as soon as reasonably and practicably possible, from moneys under the control or direction of the representative in accordance with this general condition if the sale of the property settles;
 - (b) promptly provide the vendor with proof of payment; and
 - (c) otherwise comply, or ensure compliance, with this general condition;
- despite:
- (d) any contrary instructions, other than from both the purchaser and the vendor; and
 - (e) any other provision in this contract to the contrary.
- 15A.7 The representative is taken to have complied with the requirements of general condition 15A.6 if:
- (a) the settlement is conducted through the electronic conveyancing system operated by Property Exchange Australia Ltd or any other electronic conveyancing system agreed by the parties; and
 - (b) the amount is included in the settlement statement requiring payment to the Commissioner in respect of this transaction.
- 15A.8 Any clearance certificate or document evidencing variation of the amount in accordance with section 14-235(2) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* must be given to the purchaser at least 5 business days before the due date for settlement.
- 15A.9 The vendor must provide the purchaser with such information as the purchaser requires to comply with the purchaser's obligation to pay the amount in accordance with section 14-200 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*. The information must be provided within 5 business days of request by the purchaser. The vendor warrants that the information the vendor provides is true and correct.
- 15A.10 The purchaser is responsible for any penalties or interest payable to the Commissioner on account of late payment of the amount.

Special condition 5A – GST withholding

[Note: the box should be checked if the property sold is or may be new residential premises or potential residential land, whether or not failing within the parameters of section 14-250 of Schedule 1 of the *Taxation Administration Act 1953 (Cth)*]

General condition 15B is added:

15B. GST WITHHOLDING

- 15B.1 Words and expressions defined or used in Subdivision 14-E of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* or in *A New Tax System (Goods and Services Tax) Act 1999 (Cth)* have the same meaning in this general condition unless the context requires otherwise. Words and expressions first used in this general condition and shown in italics and marked with an asterisk are defined or described in at least one of those Acts.
- 15B.2 This general condition 15B applies if the purchaser is required to pay the Commissioner an *amount in accordance with section 14-250 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* because the property is *new residential premises or *potential residential land in either case falling within the parameters of that section, and also if the sale attracts the operation of section 14-255 of the legislation. Nothing in this general condition 15B is to be taken as relieving the vendor from compliance with section 14-255.
- 15B.3 The amount is to be deducted from the vendor's entitlement to the contract *consideration and is then taken to be paid to the vendor, whether or not the vendor provides the purchaser with a GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*. The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.
- 15B.4 The purchaser must:
- (a) engage a legal practitioner or conveyancer ("representative") to conduct all the legal aspects of settlement, including the performance of the purchaser's obligations under the legislation and this general condition; and
 - (b) ensure that the representative does so.
- 15B.5 The terms of the representative's engagement are taken to include instructions to have regard to the vendor's interests relating to the payment of the amount to the Commissioner and instructions that the representative must:
- (a) pay, or ensure payment of, the amount to the Commissioner in the manner required by the Commissioner and as soon as reasonably and practicably possible, from moneys under the control or direction of the representative in accordance with this general condition on settlement of the sale of the property;
 - (b) promptly provide the vendor with evidence of payment, including any notification or other document provided by the purchaser to the Commissioner relating to payment; and
 - (c) otherwise comply, or ensure compliance, with this general condition;
- despite:
- (d) any contrary instructions, other than from both the purchaser and the vendor; and
 - (e) any other provision in this contract to the contrary.
- 15B.6 The representative is taken to have complied with requirements of general condition 15B.5 if:
- (a) settlement is conducted through the electronic conveyancing system operated by Property Exchange Australia Ltd or any other electronic conveyancing system agreed by the parties; and
 - (b) the amount is included in the settlement statement requiring payment to the Commissioner in respect of this transaction.
- 15B.7 The purchaser may at settlement give the vendor a bank cheque for the amount in accordance with section 16-30 (3) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*, but only if:
- (a) so agreed by the vendor in writing; and
 - (b) the settlement is not conducted through an electronic settlement system described in general condition 15B.6.
- However, if the purchaser gives the bank cheque in accordance with this general condition 15B.7, the vendor must:
- (c) immediately after settlement provide the bank cheque to the Commissioner to pay the amount in relation to the supply; and
 - (d) give the purchaser a receipt for the bank cheque which identifies the transaction and includes particulars of the bank cheque, at the same time the purchaser gives the vendor the bank cheque.
- 15B.8 The vendor must provide the purchaser with a GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* at least 14 days before the due date for settlement.
- 15B.9 A party must provide the other party with such information as the other party requires to:
- (a) decide if an amount is required to be paid or the quantum of it, or
 - (b) comply with the purchaser's obligation to pay the amount,
- in accordance with section 14-250 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*. The information must be provided within 5 business days of a written request. The party providing the information warrants that it is true and correct.
- 15B.10 The vendor warrants that:
- (a) at settlement, the property is not new residential premises or potential residential land in either case falling within the parameters of section 14-250 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* if the vendor gives the purchaser a written notice under section 14-255 to the effect that the purchaser will not be required to make a payment under section 14-250 in respect of the supply, or fails to give a written notice as required by and within the time specified in section 14-255 ; and
 - (b) the amount described in a written notice given by the vendor to the purchaser under section 14-255 of Schedule 1 to the *Taxation Administration Act 1953 (Cth)* is the correct amount required to be paid under section 14-250 of the legislation.
- 15B.11 The purchaser is responsible for any penalties or interest payable to the Commissioner on account of non-payment or late payment of the amount, except to the extent that:

- (a) the penalties or interest arise from the vendor's failure, including breach of a warranty in general condition 15B.10; or
- (b) the purchaser's reasonable belief that the property is neither new residential premises nor potential residential land requiring the purchaser to pay an amount to the Commissioner in accordance with section 14-250 (1) of Schedule 1 to the *Taxation Administration Act 1953 (Cth)*.

The vendor is responsible for any penalties or interest payable to the Commissioner on account of non-payment or late payment of the amount if either exception applies.

15B.12 This general condition will not merge on settlement.

Special condition 6 – Service

General condition 17 is replaced with the following:

17. SERVICE

- 17.1 Any document required to be served by or on any party may be served by or on the legal practitioner or conveyancer for that party.
- 17.2 A document being a cooling off notice under section 31 of the *Sale of Land Act 1962* or a notice under general condition 14.2 (ending the contract if the loan is not approved) may be served on the vendor's legal practitioner, conveyancer or estate agent even if the estate agent's authority has formally expired at the time of service.
- 17.3 A document is sufficiently served:
 - (a) personally, or
 - (b) by pre-paid post, or
 - (c) in any manner authorized by law or by the Supreme Court for service of documents, including any manner authorised for service on or by a legal practitioner, whether or not the person serving or receiving the document is a legal practitioner, or

Special condition 7 – Notices

General condition 21 is replaced with the following:

21. NOTICES

- 21.1 The vendor is responsible for any notice, order, demand or levy imposing liability on the property that is issued or made before the day of sale, and does not relate to periodic outgoings.
- 21.2 The purchaser is responsible for any notice, order, demand or levy imposing liability on the property that is issued or made on or after the day of sale, and does not relate to periodic outgoings.
- 21.3 The purchaser may enter the property to comply with that responsibility where action is required before settlement.

Special condition 8 – Electronic conveyancing

- 8.1 Settlement and lodgement of the instruments necessary to record the purchaser as registered proprietor of the land will be conducted electronically in accordance with the *Electronic Conveyancing National Law*. The parties may subsequently agree in writing that this special condition 8 applies even if the box next to it is not checked. This special condition 8 has priority over any other provision to the extent of any inconsistency.
- 8.2 A party must immediately give written notice if that party reasonably believes that settlement and lodgement can no longer be conducted electronically. Special condition 8 ceases to apply from when such a notice is given.
- 8.3 Each party must:
 - (a) be, or engage a representative who is, a subscriber for the purposes of the *Electronic Conveyancing National Law*,
 - (b) ensure that all other persons for whom that party is responsible and who are associated with this transaction are, or engage, a subscriber for the purposes of the *Electronic Conveyancing National Law*, and
 - (c) conduct the transaction in accordance with the *Electronic Conveyancing National Law*.
- 8.4 The vendor must open the Electronic Workspace ("workspace") as soon as reasonably practicable. The inclusion of a specific date for settlement in a workspace is not of itself a promise to settle on that date. The workspace is an electronic address for the service of notices and for written communications for the purposes of any electronic transactions legislation.

- 8.5 The vendor must nominate a time of the day for locking of the workspace at least 7 days before the due date for settlement.
- 8.6 Settlement occurs when the workspace records that:

- 8.7 The parties must do everything reasonably necessary to effect settlement:
- (a) electronically on the next business day, or
 - (b) at the option of either party, otherwise than electronically as soon as possible –
- if, after the locking of the workspace at the nominated settlement time, settlement in accordance with special condition 8.6 has not occurred by 4.00 pm, or 6.00 pm if the nominated time for settlement is after 4.00 pm.
- 8.8 Each party must do everything reasonably necessary to assist the other party to trace and identify the recipient of any missing or mistaken payment and to recover the missing or mistaken payment.
- 8.9 The vendor must before settlement:
- (a) deliver any keys, security devices and codes (“keys”) to the estate agent named in the contract,
 - (b) direct the estate agent to give the keys to the purchaser or the purchaser’s nominee on notification of settlement by the vendor, the vendor’s subscriber or the Electronic Network Operator;
 - (c) deliver all other physical documents and items (other than the goods sold by the contract) to which the purchaser is entitled at settlement, and any keys if not delivered to the estate agent, to the vendor’s subscriber or, if there is no vendor’s subscriber, confirm in writing to the purchaser that the vendor holds those documents, items and keys at the vendor’s address set out in the contract, and
- give, or direct its subscriber to give, all those documents and items and any such keys to the purchaser or the purchaser’s nominee on notification by the Electronic Network Operator of settlement.
- 8.10 The vendor must, at least 7 days before the due date for settlement, provide the original of any document required to be prepared by the vendor in accordance with general condition 6.

Special condition 9 – Deposit bond

- 9.1 In this special condition:
- (a) “deposit bond” means an irrevocable undertaking by an issuer in a form satisfactory to the vendor to pay on demand an amount equal to the deposit or any unpaid part of the deposit. The deposit bond must have an expiry date at least 30 days after the agreed date for settlement.
 - (b) “issuer” means an entity regulated by the Australian Prudential Regulatory Authority or the Reserve Bank of New Zealand;
- 9.2 The purchaser may deliver a deposit bond to the vendor’s estate agent, legal practitioner or conveyancer within 7 days after the day of sale.
- 9.3 The purchaser may at least 30 days before a current deposit bond expires deliver a replacement deposit bond on the same terms and conditions.
- 9.4 Where a deposit bond is delivered, the purchaser must pay the deposit to the vendor’s legal practitioner or conveyancer on the first to occur of:
- (a) settlement;
 - (b) the date that is 30 days before the deposit bond expires;
 - (c) the date on which this contract ends in accordance with general condition 28.2 following breach by the purchaser; and
 - (d) the date on which the vendor ends this contract by accepting repudiation of it by the purchaser.
- 9.5 The vendor may claim on the deposit bond without prior notice if the purchaser defaults under this contract or repudiates this contract and the contract is ended. The amount paid by the issuer satisfies the obligations of the purchaser under special condition 9.4 to the extent of the payment.
- 9.6 Nothing in this special condition limits the rights of the vendor if the purchaser defaults under this contract or repudiates this contract, except as provided in special condition 9.5.
- 9.7 This special condition is subject to general condition 11.2.

Special condition 10 – Bank guarantee

- 10.1 In this special condition:
- (a) “bank guarantee” means an unconditional and irrevocable guarantee or undertaking by a bank in a form satisfactory to the vendor to pay on demand any amount under this contract agreed in writing, and
 - (b) “bank” means an authorised deposit-taking institution under the *Banking Act 1959 (Cth)*.
- 10.2 The purchaser may deliver a bank guarantee to the vendor’s legal practitioner or conveyancer.
- 10.3 The purchaser must pay the amount secured by the bank guarantee to the vendor’s legal practitioner or conveyancer on the first to occur of:
- (a) settlement;
 - (b) the date that is 30 days before the bank guarantee expires;

- (c) the date on which this contract ends in accordance with general condition 28.2 following breach by the purchaser; and
 - (d) the date on which the vendor ends this contract by accepting repudiation of it by the purchaser.
- 10.4 The vendor must return the bank guarantee document to the purchaser when the purchaser pays the amount secured by the bank guarantee in accordance with special condition 10.3.
- 10.5 The vendor may claim on the bank guarantee without prior notice if the purchaser defaults under this contract or repudiates this contract and the contract is ended. The amount paid by the bank satisfies the obligations of the purchaser under special condition 10.3 to the extent of the payment.
- 10.6 Nothing in this special condition limits the rights of the vendor if the purchaser defaults under this contract or repudiates this contract except as provided in special condition 10.5.
- 10.7 This special condition is subject to general condition 11.2.

Special condition 11 – Building report

- 11.1 The purchaser may end this contract within 14 days from the day of sale if the purchaser:
- (a) obtains a written report from a registered building practitioner which discloses a current defect in a structure on the land and designates it as a major building defect;
 - (b) gives the vendor a copy of the report and a written notice ending this contract; and
 - (c) is not then in default.

Areas of Aboriginal Cultural Heritage Sensitivity

'Areas of cultural heritage sensitivity' are defined under the Aboriginal Heritage Regulations 2018, and include registered Aboriginal cultural heritage places and land form types that are generally regarded as more likely to contain Aboriginal cultural heritage.

Under the Aboriginal Heritage Regulations 2018, 'areas of cultural heritage sensitivity' are one part of a two part trigger which require a 'cultural heritage management plan' be prepared where a listed 'high impact activity' is proposed.

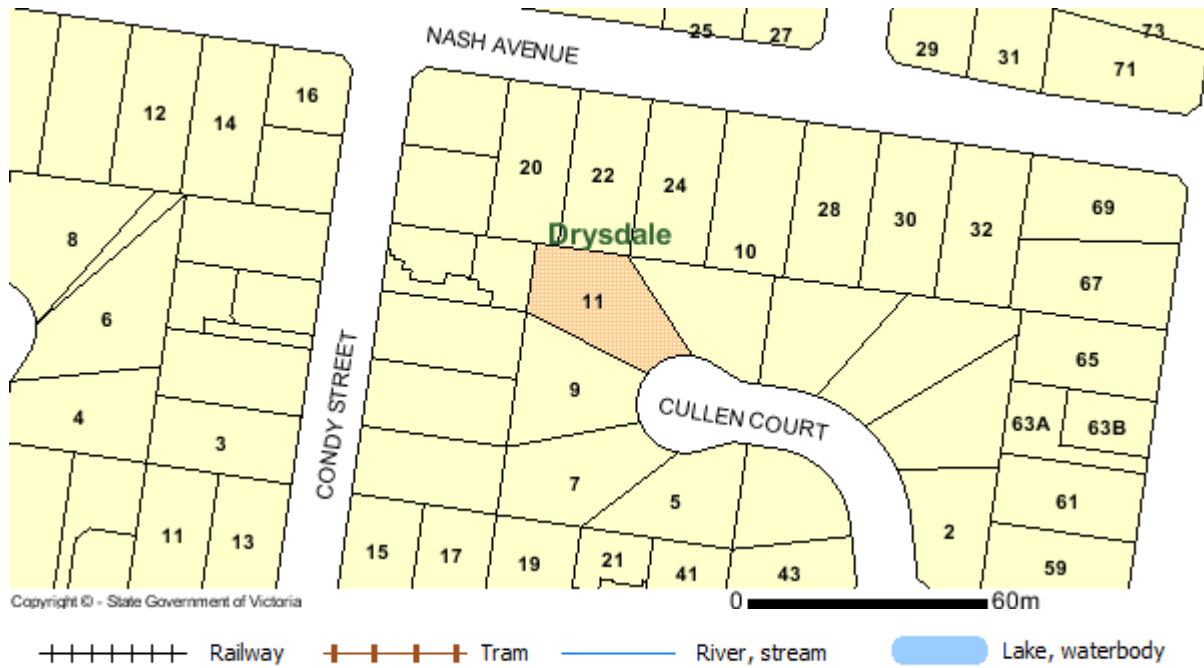

If a significant land use change is proposed (for example, a subdivision into 3 or more lots), a cultural heritage management plan may be triggered. One or two dwellings, works ancillary to a dwelling, services to a dwelling, alteration of buildings and minor works are examples of works exempt from this requirement.

Under the Aboriginal Heritage Act 2006, where a cultural heritage management plan is required, planning permits, licences and work authorities cannot be issued unless the cultural heritage management plan has been approved for the activity.

For further information about whether a Cultural Heritage Management Plan is required go to <http://www.aav.nrms.net.au/aavQuestion1.aspx>

Areas of Aboriginal Cultural Heritage Sensitivity

All or part of this property is an 'area of cultural heritage sensitivity'.

'Areas of cultural heritage sensitivity' are defined under the Aboriginal Heritage Regulations 2018, and include registered Aboriginal cultural heritage places and land form types that are generally regarded as more likely to contain Aboriginal cultural heritage.

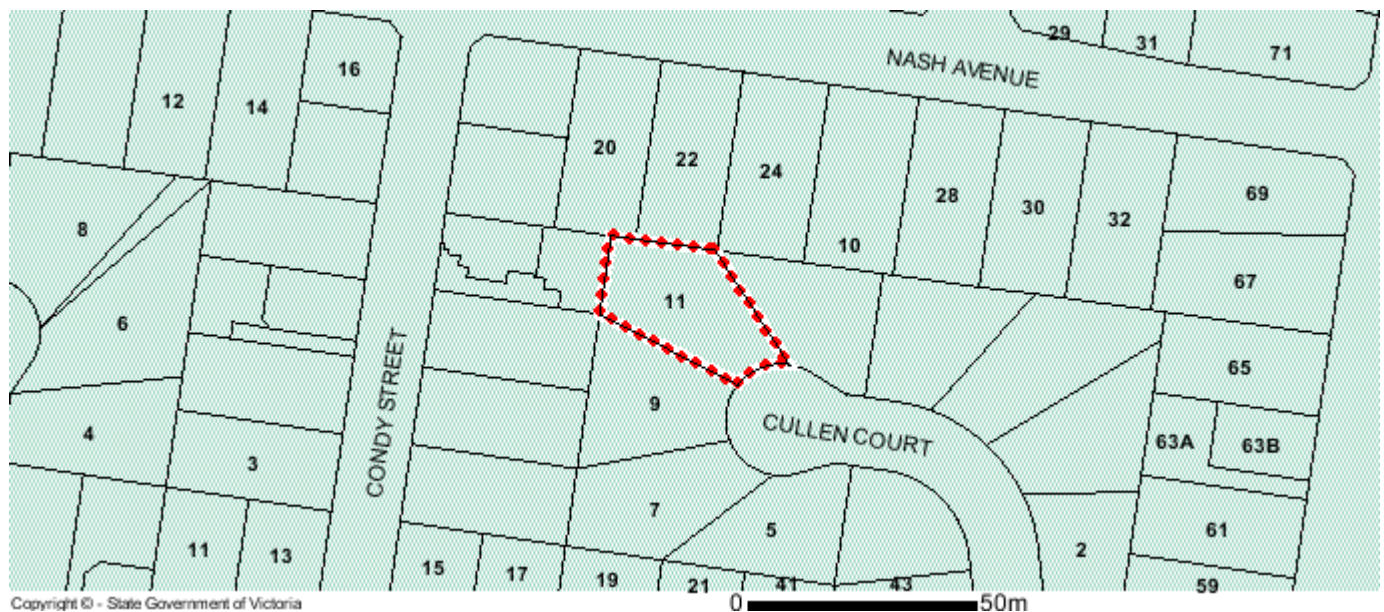

Under the Aboriginal Heritage Regulations 2018, 'areas of cultural heritage sensitivity' are one part of a two part trigger which require a 'cultural heritage management plan' be prepared where a listed 'high impact activity' is proposed.

If a significant land use change is proposed (for example, a subdivision into 3 or more lots), a cultural heritage management plan may be triggered. One or two dwellings, works ancillary to a dwelling, services to a dwelling, alteration of buildings and minor works are examples of works exempt from this requirement.

Under the Aboriginal Heritage Act 2006, where a cultural heritage management plan is required, planning permits, licences and work authorities cannot be issued unless the cultural heritage management plan has been approved for the activity.

For further information about whether a Cultural Heritage Management Plan is required go to <http://www.aav.nrms.net.au/aavQuestion1.aspx>

**This property is not in a designated bushfire prone area.
No special bushfire construction requirements apply. Planning provisions may apply.**

 Designated Bushfire Prone Area

Designated bushfire prone areas as determined by the Minister for Planning are in effect from 8 September 2011 and amended from time to time.

The Building Regulations 2018 through application of the Building Code of Australia, apply bushfire protection standards for building works in designated bushfire prone areas.

Designated bushfire prone areas maps can be viewed on VicPlan at <http://mapshare.maps.vic.gov.au/vicplan> or at the relevant local council.

Note: prior to 8 September 2011, the whole of Victoria was designated as bushfire prone area for the purposes of the building control system.

Further information about the building control system and building in bushfire prone areas can be found on the Victorian Building Authority website www.vba.vic.gov.au

Due diligence checklist

What you need to know before buying a residential property

Before you buy a home, you should be aware of a range of issues that may affect that property and impose restrictions or obligations on you, if you buy it. This checklist aims to help you identify whether any of these issues will affect you. The questions are a starting point only and you may need to seek professional advice to answer some of them. You can find links to organisations and web pages that can help you learn more, by visiting the [Due diligence checklist page on the Consumer Affairs Victoria website](https://consumer.vic.gov.au/duediligencechecklist) (consumer.vic.gov.au/duediligencechecklist).

Urban living

Moving to the inner city?

High density areas are attractive for their entertainment and service areas, but these activities create increased traffic as well as noise and odours from businesses and people. Familiarising yourself with the character of the area will give you a balanced understanding of what to expect.

Is the property subject to an owners corporation?

If the property is part of a subdivision with common property such as driveways or grounds, it may be subject to an owners corporation. You may be required to pay fees and follow rules that restrict what you can do on your property, such as a ban on pet ownership.

Growth areas

Are you moving to a growth area?

You should investigate whether you will be required to pay a growth areas infrastructure contribution.

Flood and fire risk

Does this property experience flooding or bushfire?

Properties are sometimes subject to the risk of fire and flooding due to their location. You should properly investigate these risks and consider their implications for land management, buildings and insurance premiums.

Rural properties

Moving to the country?

If you are looking at property in a rural zone, consider:

- Is the surrounding land use compatible with your lifestyle expectations? Farming can create noise or odour that may be at odds with your expectations of a rural lifestyle.
- Are you considering removing native vegetation? There are regulations which affect your ability to remove native vegetation on private property.
- Do you understand your obligations to manage weeds and pest animals?

Can you build new dwellings?

Does the property adjoin crown land, have a water frontage, contain a disused government road, or are there any crown licences associated with the land?

Is there any earth resource activity such as mining in the area?

You may wish to find out more about exploration, mining and quarrying activity on or near the property and consider the issue of petroleum, geothermal and greenhouse gas sequestration permits, leases and licences, extractive industry authorisations and mineral licences.

Soil and groundwater contamination

Has previous land use affected the soil or groundwater?

You should consider whether past activities, including the use of adjacent land, may have caused contamination at the site and whether this may prevent you from doing certain things to or on the land in the future.

(04/10/2016)

Land boundaries

Do you know the exact boundary of the property?

You should compare the measurements shown on the title document with actual fences and buildings on the property, to make sure the boundaries match. If you have concerns about this, you can speak to your lawyer or conveyancer, or commission a site survey to establish property boundaries.

Planning controls

Can you change how the property is used, or the buildings on it?

All land is subject to a planning scheme, run by the local council. How the property is zoned and any overlays that may apply, will determine how the land can be used. This may restrict such things as whether you can build on vacant land or how you can alter or develop the land and its buildings over time.

The local council can give you advice about the planning scheme, as well as details of any other restrictions that may apply, such as design guidelines or bushfire safety design. There may also be restrictions – known as encumbrances – on the property's title, which prevent you from developing the property. You can find out about encumbrances by looking at the section 32 statement.

Are there any proposed or granted planning permits?

The local council can advise you if there are any proposed or issued planning permits for any properties close by. Significant developments in your area may change the local 'character' (predominant style of the area) and may increase noise or traffic near the property.

Safety

Is the building safe to live in?

Building laws are in place to ensure building safety. Professional building inspections can help you assess the property for electrical safety, possible illegal building work, adequate pool or spa fencing and the presence of asbestos, termites, or other potential hazards.

Building permits

Have any buildings or retaining walls on the property been altered, or do you plan to alter them?

There are laws and regulations about how buildings and retaining walls are constructed, which you may wish to investigate to ensure any completed or proposed building work is approved. The local council may be able to give you information about any building permits issued for recent building works done to the property, and what you must do to plan new work. You can also commission a private building surveyor's assessment.

Are any recent building or renovation works covered by insurance?

Ask the vendor if there is any owner-builder insurance or builder's warranty to cover defects in the work done to the property.

Utilities and essential services

Does the property have working connections for water, sewerage, electricity, gas, telephone and internet?

Unconnected services may not be available, or may incur a fee to connect. You may also need to choose from a range of suppliers for these services. This may be particularly important in rural areas where some services are not available.

Buyers' rights

Do you know your rights when buying a property?

The contract of sale and section 32 statement contain important information about the property, so you should request to see these and read them thoroughly. Many people engage a lawyer or conveyancer to help them understand the contracts and ensure the sale goes through correctly. If you intend to hire a professional, you should consider speaking to them before you commit to the sale. There are also important rules about the way private sales and auctions are conducted. These may include a cooling-off period and specific rights associated with 'off the plan' sales. The important thing to remember is that, as the buyer, you have rights.
